The Russian Defense team: General Eric Engler of Engler Customs

The German Attackers: General Jon Manns of team Korporation

How it works: Germany is attacking and only the Russian force can stop them! You and your team must fight bravely to control key strategic locations to win the war of attrition before destroying your enemy completely. Each strategic location is worth points (value based on estimated difficulty to hold) for whichever team controls it, points will be awarded every time a key location is lost (symbolized by posting team colors) and for controlling the location for lengths of time. Points will be calculated every hour. Side missions will be worth extra points.

Vendors: Engler Customs, TNT Paintball

Prizes: Prizes offered by Tippmann, Python Paintball, Norwich University, and more to be announced

CAMPING SPACE WILL BE AVAILABLE
